Creating a Player Profile for a Sport

Once you've successfully registered on iSportArena.com, you can start creating player profiles for the different sports you're interested in. Follow these steps to set up your player profile:

Option 1: From the Dashboard

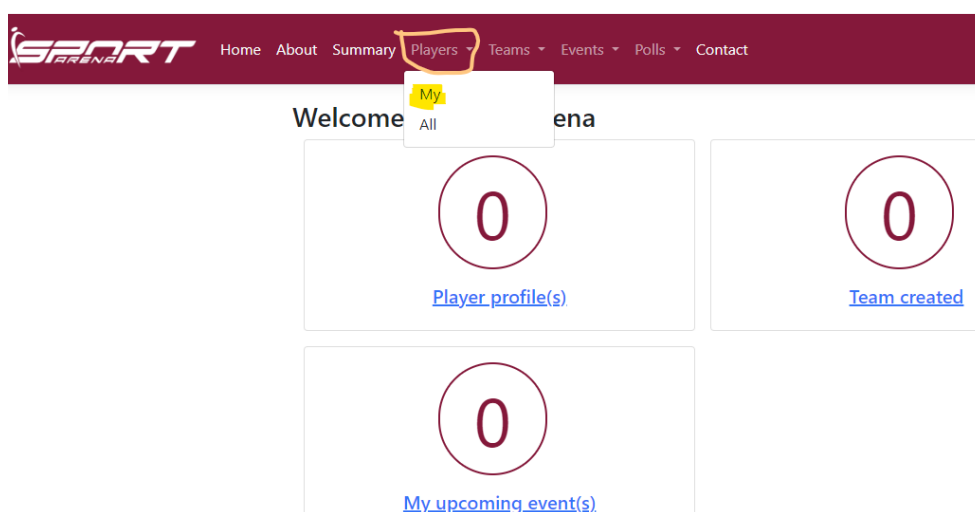

1. **Login:** Go to the <https://iSportArena.com> homepage and log in using your registered email and password.
2. **Access Player Profiles:** On the dashboard, look for the "Player profile(s)" link and click on it. This will take you to your player profile management page.

Option 2: From the Header Menu

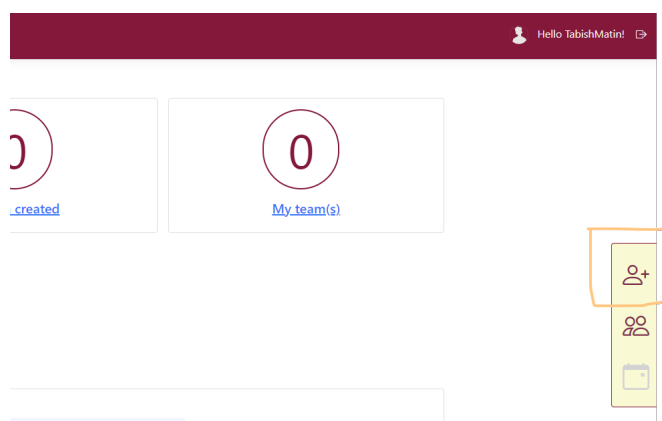

1. **Login:** Log in to your <https://iSportArena.com> account.
2. **Access "My" Section:** From the header menu, find and click on the "Players" link. This will open a dropdown menu.
3. **Select Player Profiles:** In the dropdown menu, select "My" This will redirect you to your player profile management page.

If you encounter any difficulties during the process, please don't hesitate to contact our support team at support@iSportArena.com.

Option 3: Using the Fixed Button

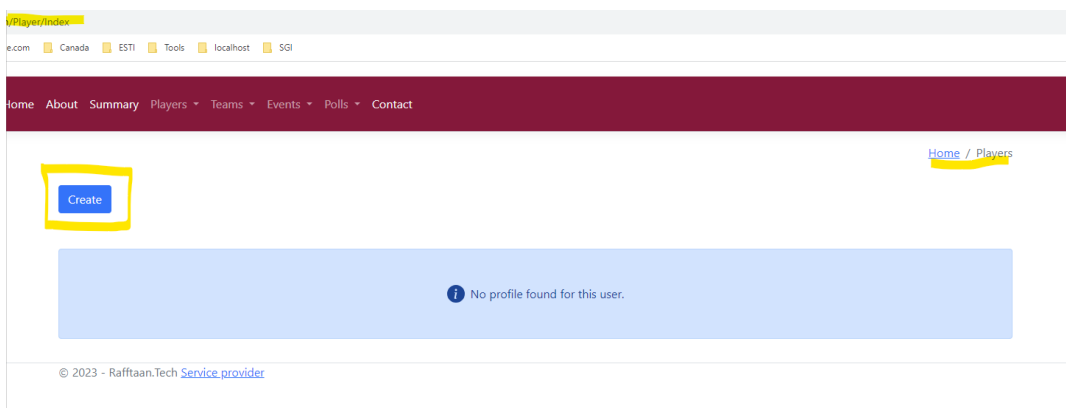

1. **Login:** Log in to your <https://iSportArena.com> account.
2. **Access the Fixed Button:** On the right middle section of the page, you'll find a "Add New Player Profile" fixed button. Click on it. This will take you to the player profile creation page.

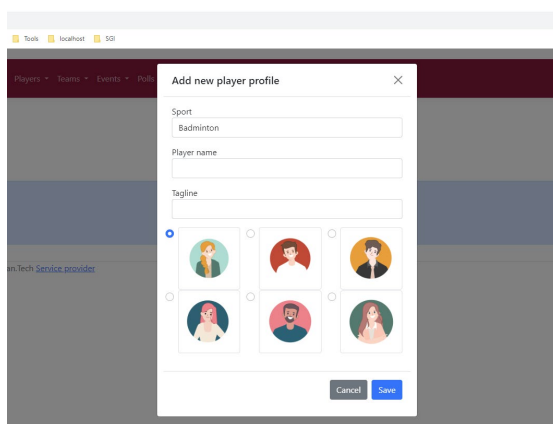

If you encounter any difficulties during the process, please don't hesitate to contact our support team at support@iSportArena.com.

Creating a Player Profile for a Sport

1. **Player Profile Page:** On the player profile management page, click on the "Create" button. This will initiate the process of creating a new player profile.

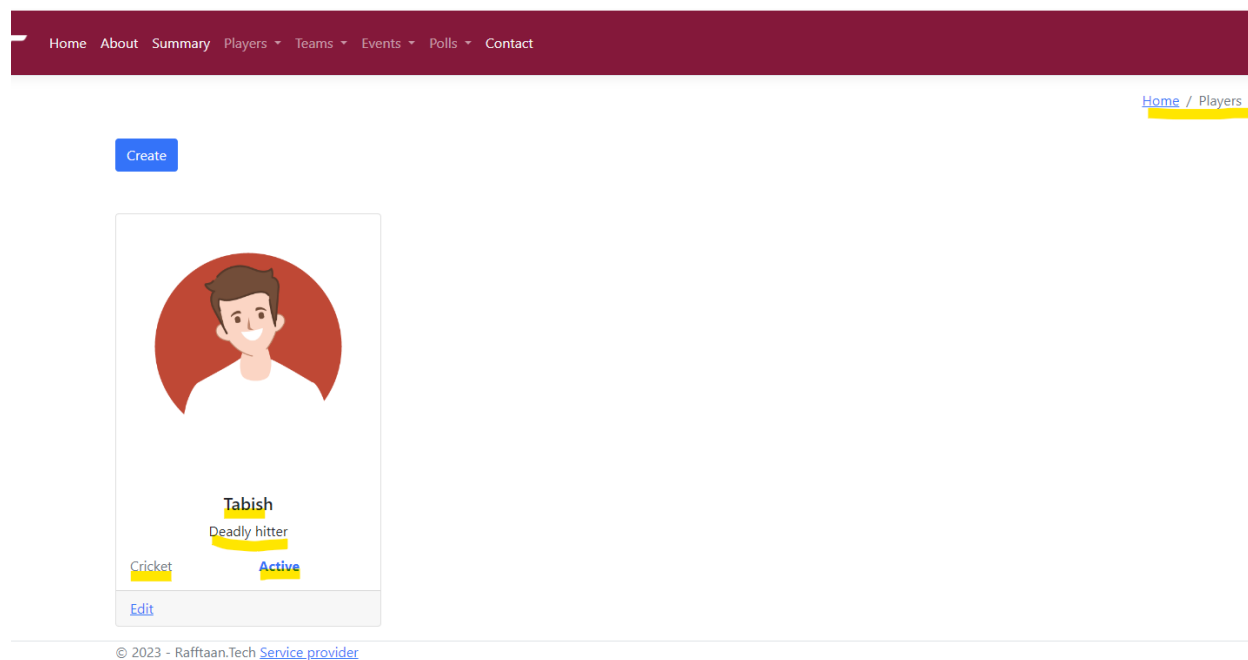

2. **Fill In Details:** On the add new profile popup, you will find a player form. Enter the required information, which typically includes:
 - a. **Select a Sport:** Choose the sport for which you want to create a player profile. Remember that you can only create one profile per sport.
 - b. **Player name:** it should be unique across the application.
 - c. **Tagline:** Define an attractive tag line that describe you for the selected sport.
 - d. **Select any of the Avatar image.**

If you encounter any difficulties during the process, please don't hesitate to contact our support team at support@iSportArena.com.

3. **Save Profile:** After filling in the details, click the "Save" button to save your player profile for the selected sport.

And that's it! You've successfully created a player profile for the chosen sport on iSportArena.com. Remember that once you create a profile, it cannot be deleted, so make sure to provide accurate and up-to-date information.

If you encounter any difficulties during the process, please don't hesitate to contact our support team at support@iSportArena.com.
