Creating a New Team Profile

1. **Team Management Page:** On the team management page, click on the "Create" button. This will initiate the process of creating a new team profile.

2. **Fill In Details:** On the add new team popup, you will find a team form. Enter the required information, which typically includes:
 - a. **Sports:** Select one or more sports from the dropdown list. This helps categorize your team for the relevant sports.
 - b. **Team Name:** Enter a unique name for your team. This name must be distinct across the application.
 - c. **Tagline:** Provide a short and catchy tagline that best defines your team.
 - d. **Represent to:** If applicable, specify any club, school, area, or affiliation your team represents.
 - e. **Description:** Write a brief description about your team.
 - f. **Upload Team Logo:** You can upload your team's logo to give it a distinct identity.

If you encounter any difficulties during the process, please don't hesitate to contact our support team at support@iSportArena.com.

3. **Save Team:** After filling in the details, click the "Save" button to save your team profile.

Congratulations! You've successfully created a team profile on iSportArena.com. Remember that once a team profile is created, it cannot be deleted. You can manage your teams and their details from the team management page.
